1. Registration procedure & financial conditions

- 1.1 Read the present terms and conditions and fully fill in the pre-registration form.
- 1.2 Full payment of the classes must be made by credit card or bank transfer, at once, upon registration at our reception desk only. Instalments are not allowed.
- 1.3 Yearly registration fees and textbooks (if needed) are at extra costs for the student.
- 1.4 No refund and no transfer of the fees to group courses are allowed unless for medical reasons, NYSC enrolment or studies abroad (duly justified upon presentation of certificate).

2. Duration & validity of packages

- 2.1 AF Lagos reserves the right to assign teachers depending on their availability and to discontinue classes for any reasonable cause. Enrolment is subject to approval by AF Lagos and no dispute will be entered into should enrolment be refused or discontinued.
- 2.2 A package of 10 hours of private classes has a validity of one (1) month as AF Lagos cannot guarantee the availability of the same teacher after a 1-month period. Hence, two packages of 10 hours have a validity of two (2) months; one package of 30 hours has a validity of three (3) months.
- 2.3 Teachers are scheduled depending on the student's request (days and timing). The student's commitment to these is required. Once confirmation has been sent by email, no change of time or day is possible.

3. Postponement & cancellation of classes

- 3.1 AF Lagos does not guarantee the availability of a teacher if the classes are postponed within or after the defined schedule. AF Lagos will discontinue the classes if the classes have been postponed for more than two (2) weeks after the last day of the schedule. It is the student's responsibility to reschedule the class depending on his/her teacher's availability.
- 3.2 For students benefiting from a discount on their private classes registration, classes cannot be postponed after the defined schedule. The schedule must be strictly adhered to.
- 3.3 In case of the postponement of a class, a notice must be sent to the teacher at least 3 hours prior to the scheduled time. If the student does not inform the teacher of his/her non-attendance within a minimum of 3 hours' notice prior to the scheduled time, the class will be deducted from the package. The teacher and the student must get in contact directly and reschedule the class depending on both the student and the teacher's schedules.
- 3.4 In case of the late commencement of the class due to the lateness of the student, the teacher will inform whether the class can be given for the determined duration depending on his/her availability.

4. Insurance, security & parking

- 4.1 After the class, students under 18 years old are under their parents' responsibility. Parents of students below 18 are required to pick up their children at AF Lagos, as the latter are required to stay inside the premises until their parents arrive.
- 4.2 All requests, questions or issues related to the public parking is not under AF Lagos' responsibility and must be dealt with the company managing the parking. Parking fees are at the student's own cost.
